An Enterprising Firm.

The phenomenal increase in the business of Messrs, Geo. Watson & Co., the Newark buildings 166 and 168 Market street to the rear of their Bread street store. This firm cut all their garments by hand, as they say twenty-five more skilled cutters.

WATSON & CO. twenty-six men present. Foreman ness done in it. Just now they are making

Watson & Co. make these

CLOSING SALES to reduce stock, as they have neither the room or desire to carry over a single garup all the superfine goods and add them Night. Att. Day, Att. Total their elegants garments which you can now buy for less money than the usual machinecut clothing is sold for, and their stock was never as large or their garments as hand-some as at the present time. The rush of business at their establishment is the talk

of the city, and a TEN DOLLAR BILL will now buy you a very handsome suit if you go to the establishment of Geo- Watson & Co. for it. The young men of our city all go their for the correct cut and nov-

GREAT MARK-DOWN SALES only occur at the close of the season make great rush while they last, as all great bargains that cannot be duplicated. This is the firm that divides all their odd lots of pantaloons among their enstomers as presents and you should ask to have your name recorded and your measure taken when you make a purchase, as you will then come in for your share of these presents which make it a high premium to a customer of the house of GEO, WATSON & CO. Look in their windows for surprises. Newark Press.
